23rd December, 2019

G'Day

Thanks for purchasing Organic Rams from us. We just held our 28th holiday draw for those who bought rams in 2019, the prize is 2 nights free accomodation at Turner Heights Townhouses, Queenstown.

Dave and Rebecca Arkell, the managers of Turner Heights, drew the winning number which was Ram 363/17 purchased by Wayne Boyce of Marlborough **CONGRATULATIONS!!!**

Another raffle will be held next year for Two tooth Rams bought from January of 2020.

(If you don't see a Ram Catalogue by the 27th January let me know). Older rams and ewes have been selling very well, please book in if you want any as we are **getting sizeable number of enquiries for our rams and ewes** coming in all the time now.

**Book in your Rams NOW to ensure you retain your pick!**

**Also remember 3% discount for each previous year you've bought rams from us.**

**This discount is Capped at 30% "I'm extremely happy with the SHIRE® Breed."**

Give your best indication of what your Ram or Ewe requirements (breed and number) might be. We just need a guide, even if its none, one or 15+ rams. This booking indication can help us immensely in sorting out rams, numbers required for existing Ram buyers, and working out how many new interested farmers we can book in after you.

It also helps us plan our time more effectively during sales weeks.

Also there is a space for comments on the rams and resulting progeny. Be brutally honest; feedback is a huge help with breeding better rams.

**Please email breed & number of rams needed or fill out form & photograph/scan and email back or cut off coupon & Post or phone through your ram breed and number needed estimate, as soon as you can please.**

**Thank you and have a Cheerful Christmas & Happy New Year!**

**Kind Regards, Tim, Helen & Bob Gow,**
