December 20th, 2018

G'Day

Thanks for purchasing Organic Rams from us. We just held our 27th holiday draw for those who bought rams in 2018, the prize is 2 nights free accomodation at Turner Heights Townhouses, Queenstown.

Dave and Rebecca Arkell, the managers of Turner Heights, drew the winning number which was Ram 532/16 purchased by Ian and Margaret Ellery of Te Awamutu. **CONGRATULATIONS!!!**

Another raffle will be held next year for Two tooth Rams bought from January of 2019.

(If you don't see a Ram Catalogue by the 29th January please let me know).

Older rams and ewes have been selling well, we still have some available, but please book in, as we are getting **many new enquiries** for our rams and ewes coming in all the time now.

So please book in your Rams NOW to ensure you retain your pick in January.

Also remember 3% discount for each previous year you've bought rams from us.

This discount is Capped at 30%

We are offering for sale **SHIRE®** and Wiltshire Two tooth Rams, **"The Best I have ever bred!"**

Give your best indication of what your Ram or Ewe requirements (breed and number) might be.

We just need a guide, even if its none, one or 15+ rams. This booking indication can help us immensely in sorting out rams, numbers required for existing Ram buyers, and working out how many new interested farmers we can book in after you. It also helps us plan our time more effectively during sales weeks.

Also there is a space for comments on the rams and resulting progeny.

Be brutally honest; feedback is a huge help with breeding better Organic rams.

Please fill out form and photograph/scan and email reply or cut off coupon & Post or fax or email or phone through your ram breed and number needed estimate, as soon as you can please,

Thank you and have a Merry Christmas & Happy New Year!

Kind Regards, Tim, Helen, Nikita & Bob Gow.
